

## **CAMC DUMP TRUCKS**

### **BUILT TO CONQUER, ENGINEERED TO ENDURE**

At CAMC, we don't just build dump trucks; we create unstoppable forces designed to tackle the toughest challenges in the mining industry. Our dump trucks are more than machines—they are partners in progress, engineered to deliver unmatched strength, reliability, and efficiency in the most demanding environments.

### **A LEGACY OF EXCELLENCE**

As part of the China National Heavy Duty Truck Group (CNHTC), CAMC brings decades of expertise in commercial vehicle manufacturing to every dump truck we build. Our commitment to innovation, quality, and customer satisfaction has made us a trusted name in the mining industry worldwide.

Equipped with fuel-efficient engines and optimized systems, our trucks help reduce operational costs while maximizing output. Features like advanced braking systems and ergonomic cabins ensure safety and comfort for operators, making every journey efficient and productive.

When the load is heavy, the terrain is rough, and the stakes are high, CAMC dump trucks are there to get the job done. We don't just build trucks; we build solutions—machines that empower your mining operations to achieve new levels of success.

**Built Strong, Trusted Service**
