

# BUILT TOUGH **BUILT TO DELIVER**

## INNOVATING THE FUTURE OF CONSTRUCTION AND MINING

Pengxiang delivers **POWERFUL, RELIABLE, EFFICIENT** machinery designed to tackle the toughest challenges. From dump trucks to aerial platforms, we build solutions that drive progress and empower industries worldwide.

At Pengxiang, we don't just build trucks; we build reliable partners for the mining industry. Designed to endure the toughest conditions and deliver unmatched performance, Pengxiang Trucks are engineered to move mountains—literally. With a focus on strength, durability, and efficiency, we empower mining operations to achieve peak productivity and success.

**Built Strong, Trusted Service**
